SUNGLASSES BLUES GREY TECH

A timeless classic, the wooden version of the brilliant Blues Brother's design; With these glasses you can show up with the relevant elegance at a summer party or on a boat.

The frames are made of reconstituted Finnish birch veneers. These technical birch veneers are created from individually carbon grey dyed 1,5mm thick veneer layers. This makes a unique surface that reflects light and colour in an unparalleled way. Silver mirror lenses provide the finishing touch to your summer style.

All Aarni sunglasses are delivered with a handy sunglass case made of cork.
