JA MINÄ OLEN VILJAA CUTTING BOARD

Inspired by Juice Leskinen's Syksyn sävel, the work 'Ja minä olen viljaa - I am grain' reflects how we are all like grain: sometimes the gold of the earth and sometimes ripe like a harvest to be harvested.

The high-quality cutting board has a beautiful matte surface and you can combine it with a beautiful kitchen towel.

- Finnish birch veneer
- Size: 20 x 30 cm
- Hand wash is recommended
- Finnish design and manufacturing
- Designer: Johanna Oras
